

Community of 1,000 Blessings

We invite you to come into our family of donors
by pledging \$1,000
to transform Presentation Center over the next three years.
That amounts to \$1 per day.

Help us bring the
blessings of Presentation Center to
future generations.

The names of this Community of donors will be placed on a scroll incorporated into our Bell Tower. Three times a day the bell will ring, long into the future, and each time it rings, a silent prayer of thanks will be said for you or your special intention.

Your donation will help the Center continue our ministry, of providing hope, healing, renewal, and tranquility to all our guests.
